PROFILE

Energetic, ambitious, and optimistic are the words that best describe my personality. I am an undergraduate student in Bandung Insitute of Technology that is eager to learn and to seek adventures in life. Chaotic isn't a challenge but a chance to grow. Currently interested in Web Development, Business Development and Data Science. Let's grow together and exceed the limit.

I was born on **January 28th , 2005** in **Medan, North Sumatra, Indonesia** and I am currently **18 years old**.

Stay Hungry, Stay Foolish.
